CRANLEIGH CHORAL WEEK

13-20 August 2017

(incorporating the South of England Festival Chorus)

Artistic Director

Jeffrey Wynn Davies

REHEARSE AND PERFORM CHORAL WORKS (WITH ORCHESTRA) AND CHAMBER CHOIR MUSIC IN THE SAME WEEK! BE PART OF THE UK'S LARGEST AND BEST VALUE SINGLE WEEK CHORAL COURSE, WITH ITS LEGENDARY SOCIAL PROGRAMME.

This hugely successful summer course is the largest single week gathering of adult choral singers in the country. Its blend of large chorus AND chamber choir repertoire, excellent choral tutors and mix of singing and social activities make it a very popular course for singers of all abilities and backgrounds.

ARE YOU A CHORAL SOCIETY SINGER?

This year's choral/orchestral performances will be of CARMINA BURANA (Carl Orff) and THE MUSIC MAKERS (Edward Elgar). Orff's colourful and exciting mediaeval choral tapestry will be known to many of you. Probably less familiar will be Elgar's 40 minute gem, which includes choral references to several of his earlier famous works. Now is your chance to sing Nimrod from the Enigma Variations! The South of England Festival Chorus and Orchestra will perform in Guildford Cathedral on Saturday, 19th August. During the week you will also experience different choral styles by being part of a smaller choir tackling varied chamber repertoire in a wide variety of styles, and from many different periods of composition. It's literally Gabrieli to Gershwin!

DO YOU USUALLY SING IN A CHAMBER OR CONCERT / COMMUNITY CHOIR?

In addition to learning and performing new and exciting smaller choir repertoire, you will participate in the performance of major choral works in an imposing venue (see above). Share in this exciting experience with around 200 other singers and prepare all the music in just one week! Also, you will make many choral friends who are members of choirs from all over the country and beyond.

THE COURSE VENUE

Situated in the Surrey countryside some 10 miles south of Guildford, Cranleigh School has superb facilities. As well as having a purpose built Music School and a range of other rehearsal and performing facilities, including the large School Chapel, accommodation and catering is of a high standard. The School offers a host of recreational activities, including a modern indoor swimming pool, stables and even a nine hole golf course! Guildford is a major shopping centre and places of interest nearby include the Royal Horticultural Gardens at Wisley.

MEMBERSHIP CATEGORIES

Participants on the course can join in one of several categories based on being resident or non-resident. It is possible to take part in the whole week's activities, the chamber choir element or just the SEFCho performance in Guildford.

FURTHER DETAILS

If you would like to know more about Cranleigh Choral Week and to apply for a place, then either go to the website at www.ccweek.org.uk or contact the Course's administrator, Fiona Clucas, at the address shown below. If you require a postal application form, she will be delighted to send you one, together with further details of the course.
